

## Old School Recess

H2O

Old School-Recess!!! (4x)

Where did we go so wrong, how did we last so long  
All I can think now that we're here, is when we gonna have  
Some fun can't forget what we were, even if it's all a blur  
And never forget why we're still young  
And how we all still endure

I don't wanna be 13, I only wanna share the scene  
All I really want to do is to have Saturday  
Everyday for the rest of our lives

Old School-Recess!!! (4x)

When did it come to this, too much of this business  
I'm not under no fucking gun  
So when we gonna have some fun  
Tell me how you got so sad, with all the good times we had  
When all you really want is to have Saturday  
When you're tired of living in the past - Saturday  
When you only want good times to last - Saturday  
Everyday for the rest of our lives! - old school- recess (4x)
