

Scene Report

H20

Well I woke up with this feeling yesterday
No matter how hard I tried I couldn't say
Where it came from and what it did to me
Like a hole inside too wide and way too deep

But I know
I'm gonna find my way
and I know
I gotta have my say

I hate when I turn on my fucking TV
A newsman's trying hard to explain my scene to me
Hardcore's been my life since way back when
It's my family, my future, my best friend

But I know
I'm gonna find my way
And I know
I gotta have my say

It's not fashion or a TV show
It's my life, It's the only one I know
It's not a new concept on MTV
It's something real beating inside of me

Woke up with this feeling yesterday
No matter how hard I tried I couldn't say
Where it came from and what it did to me
Like a hole inside too wide and way too deep

But I know
I'm gonna find my way
and I know
I gotta have my say
