

Cannibalized  
Wild west  
To eat humans  
Time is best  
You're a new man  
Do you want to test  
It's amazing what people eat  
Everything from fat to meat  
You are shocked about your guts  
There aren't only pork and nuts  
RAVENOUS  
Human flesh  
For some time  
Cause some style  
It's your prime  
As cannibal meal  
Do you think I am?  
It's amazing what people eat  
Everything from fat to meat  
You are shocked about your guts  
There aren't only pork and nuts  
RAVENOUS  
Human flesh
