

Catch U If I Can

Haddaway

Shoulda known just to keep it a secret
Shoulda known not to try
Shoulda known just to give you a reason
Shoulda known not to lie

Taking my chances I'm in pursuit
The closer I am to getting through
Maybe if you could know what I'm feeling
Maybe you'd understand
Maybe you're fast enough to get away
But I'll catch u if I can

Don't know how but I can't forget you
I'm telling you now
That I'm gonna get you
Can't slow down cause I'm getting
Closer
So pull over now cause this chase
Is over
Too much for just one man
But ill catch u if I can

I ain't gonna keep on hesitating
But I ain't gonna waste your time
I don't wanna make things complicated
And, I don't wanna change your mind

Taking my chances i'm in pursuit
The closer I am to getting through
Maybe if you could know what I'm feeling
Maybe you'd understand
Maybe you're fast enough to get away
But I'll catch u if I can
Don't know how but I can't forget you
I'm telling you now that I'm gonna get you

Can't slow down cause I'm getting
Closer
So pull over now cause this chase
Is over
Too much for just one man
But I'll catch U if I can

I'll catch u if I can
Too much for just one man
But I'll catch u if I can
You know I am gonna catch u if I can
I'm coming to get ya
