Fly Away

It's a dream of worlds in motion And another place and time I guess I'm feeling lost in The home I thought was mine It's a universal notion Life is just a battlefield Open your heart for someone Nothing is revealed

Fly away You can leave it all behind you I'm on my way to find you And I'll soon be flying too Fly away We can fly away together I'm talking about forever This is all we gotta do

Fly away.....

It's a tangled up emotion Will you stay or will you go I am the one to count on If only you would know

Fly away
You can leave it all behind you
I'm on my way to find you
And I'll soon be flying too
Fly away
We can fly away together
I'm talking about forever
This is all we gotta do
Fly away.....
