

I'll Do For You

Haddaway

Each night I dream of her
Bright coloured hair
And lips so soft
I hear her voice inside my head
Maybe I'm crazy
But I know instead

She tells me stories all about her life
I get confused
And we start to fight
If you wanna be with me
Then change your ways
I can't go on with this mental thing

I'll do for you
Anything that you want me to
If you go crazy
If you get wild
Girl, I'll be the man on your side

What more can I do or say?
Yes, we tried talking
But she walks away
I give her all the time I can
This can't go on,
It's out of my hands

I don't blame you
It's not your fault
Well, I'm not strong
And not so tough
If you wanna be with me
Then change your ways
I can't go on with this mental thing
I'd do anything for you
