

# Shout

Haddaway

Feel the rhythm, deep inside my soul  
Feel the rhythm of my love  
I want you  
Revelation, absolutely stalls  
When you're giving it to me  
Shout (shout), shout (shout)  
Baby if you'd rather moan  
Shout (shout), shout (shout)  
Baby if you'd rather moan  
Stay with me, stay with me  
Stay with me, stay with me

In the mirror, you can see my face  
You know what you do to me, you make me  
Shout (shout), shout (shout)  
Baby if you'd rather moan  
Shout (shout), shout (shout)  
Baby if you'd rather moan  
Stay with me, stay with me  
Stay with me, stay with me

Stay with me, stay with me  
Stay with me, stay with me, yeah

(Yeah, eh eh)...(Yeah, eh eh)  
Aahh  
Aahh
