

Tell Me Where It Hurts

Haddaway

Just tell me where it hurts now baby
And I'll love you with a love so tender
And if you let me stay, I'll love all the hurt away
Why is that sad look in you eyes

Why are you crying
Tell me now, tell me now
Tell me why you're feeling this way
I hate to see you so down

Oh, baby is it your heart
Ooh, breakin' all in pieces
Makin' you cry
Makin' you feel blue

Is there anything I can do
Why don't you tell me where it hurts now baby
And I'll do my best to make it better
I'll do my best to make the tears all go away

Just tell me where it hurts now, tell me
And I'll love you with a love so tender
And if you let me stay, I'll love all the hurt away
Girl tell me, where are all those tears coming from

Why are they fallin'
Did somebody somebody leave your heart in the cold
You just need somebody to hold
Give me a chance to put back all the pieces, take your broken heart
Make it just like new

There's so many things that I can do
Why don't you tell me where it hurts now baby
And I'll do my best to make it better
I'll do my best to make the tears all go away

Just tell me where it hurts now, tell me
And I'll love you with a love so tender
And if you let me stay I'll love all the hurt away
Baby, if you'd only tell me where it hurts I know I can make it better

If I could wrap my arms around your heart
I'd would hold you tight, and let you know everything is gonna be alright
So take a chance with me baby
I don't wanna see you cry

Is it your heart ooh that's breakin' all in pieces
Makin' you cry, makin' you feel blue
Is there anything I can do
Tell me where it hurts now baby

And I'll do my best to make it better
I'll do my best to make the tears all go away
Just tell me where it hurts now tell me
And I'll love you with a love so tender
And if you let me stay I'll love all the hurt away
