

# Who Do You Love

Haddaway

(Who do you love?)  
Say who do you love  
And say if you really care.  
(Who do you love?)  
Say who do you love  
And say if you really care.

Look into my eyes  
And let me know what's wrong  
Just where do you belong?  
Don't wanna be hurt no more.

I am not blind  
You got to put me right  
If someone out of sight  
Is all you're waiting for,  
I need to know.

(Who do you love?)

I guess I could live  
Alone here without you.  
I guess that I'd make do,  
But in my heart I know  
I can't let go.

I'll never give in, I'll never give up.  
'cause I want you  
Oh I'll never give in, I'll never give up  
'cause I want you  
I need you
