You've been crashing down ?
But then we'd all know what if something ? to entice us even mo
re
The ? is yours sometime to spite in disguise
Where your deepest fears and secrets hide
[CHORUS:]
Demo nover mind, it's all inside you
If you only knew, the other is just you
My name is allegiance. for we are many
We're not confined by any law or prayer
Your torture and destruction ?
In life, who told you life was ever fair
Oh no
You think you've finally met the debt, well guess again
You're only playing with ?, a blind child
[CHORUS]
