

# Evil

Hadouken!

Don't you feel alive  
Don't you feel alive

I saw you take the path on the other side  
take the forward path for the second time  
been waiting for this moment  
all my life

Listen, when I come from the rave  
I go right from the stage  
bustin my cup for the re-fill  
I dont particulally like my peer view  
you know we're not evil people  
bullshit sticks to a glorified equal  
if somethings you've learnt from the free fall  
come back the second time, make it a sequel

We're just people, we're just buttons  
living our life in a circle  
we play our cards and we have found  
we lay our equals to the ground

No no no I won't go  
no I won't go  
no I wont go  
no I won't  
no

I can take your beating every once in a while  
but I can't find the will to pluck up a smile  
cos I'm like a wheel  
go round and round  
I'm plugged in the speaker but can't make a sound

I wont go  
no I wont go  
wont go  
no I wont go

No no, no I wont go  
no I wont go  
no I wont

WON'T GO  
NO I WONT GO  
NO I WON'T GO  
NO I WONT GO  
NO I

WONT GO  
NO I WONT GO  
NO I WONT GO  
NO I WONT GO  
NO I WONT

WONT GO  
NO I WONT GO

NO I WONT GO  
NO I WONT GO  
NO I WONT
