

## Chapter V: Lost (Robin's Song)

Haggard

Running away in the autumn rain  
Did you ever see a little child sleeping?  
"To be near them will my sorrow drain..."  
Suddenly I stocked, their bodies weren't breathing anymore

-

Due to the ones who fear  
Dance in the morninglight  
Due to the ones who fear  
Slaves to this innocent might

-

Due to the ones who fear  
Dance in the morninglight  
Due to the ones who fear  
Slaves to this innocent might

-

Carrying away the ones I love  
Folden hands, they have been blessed  
Now I feel angry 'bout the ones above  
Just no warning, no sign  
Hey, yes, I fear!  
And I just really feel darkness inside  
Lost without a chance to hide

-

Due to the ones who fear  
Dance in the morninglight  
Due to the ones who fear  
Slaves to this innocent might

-

See me down  
Down on the ground  
Hoping that nobody hears  
The sound of this falling tears

-

Endless bleeding  
Hoping that nobody sees  
What you did to me!

-

Endless weeping  
Hoping that nobody hears  
The sound of this falling tears

-

Endless mourning  
hoping that nobody knows
