

# Rock Bottom

Hailee Steinfeld

What are we fighting for?  
Seems like we do it just for fun  
In this, this stupid war  
We play hard with our plastic guns

Breathe deep, bottle it up  
So deep until it's all we got  
Don't speak, just use your touch  
Don't speak before we say too much

You hate me now and I feel the same way  
You love me now and I feel the same way  
We scream and we shout  
And make up the same day, same day

Oh, we're on the right side of rock bottom  
And I hope that we keep falling  
We're on the good side of bad karma  
Cause we keep on coming back for more  
We're on the right side of rock bottom  
Into you, I just keep crawling  
You're the best kind of bad something  
Cause we keep on coming back for more

You get under my skin  
More than anyone's ever been  
But when we lay in bed  
You hold me hard 'til I forget

You hate me now and I feel the same way  
You love me now and I feel the same way  
We scream and we shout  
And make up the same day, same day

Oh, we're on the right side of rock bottom  
And I hope that we keep falling  
We're on the good side of bad karma  
Cause we keep on coming back for more  
We're on the right side of rock bottom  
Into you, I just keep crawling  
You're the best kind of bad something  
Cause we keep on coming back for more

Keep on coming back for more  
Cause we keep on coming back for more

What are we fighting for?  
Seems like we do it just for fun  
In this, this just stupid war  
We play hard with our plastic guns

Oh, we're on the right side of rock bottom  
And I hope that we keep falling  
We're on the good side of bad karma  
Cause we keep on coming back for more  
We're on the right side of rock bottom  
Into you, I just keep crawling

You're the best kind of bad something  
Cause we keep on coming back for more

Keep on coming back for more  
Cause we keep on coming back for more  
Keep on coming back for more  
Cause we keep on coming back for more
