

# Don't Save Me

HAIM

1. Never thought that I would grow so old of seeing the gold  
Still I never want it to go  
I would hold it up to my cold heart  
Feel the way it used to start

Take me back, take me back  
To the way that I was before  
Hungry for what was to come  
Now I'm longing for the way I was

X: You say you will, say you will save me  
You say you will, say you will save me  
You say you will, say you will save me  
You say you will, say you will

R: Take me back, give it up, give it up to me  
'Cause I can't go on if your love isn't strong  
I want it all, give me, give me all your love  
But if you can't hold on  
Then baby, baby, don't save me now  
If your love isn't strong  
Baby, don't save me now

2. All my life I wasn't trying to get on a high way  
I was wondering which way to go  
Spending all of my damn time  
Leaving all the weight behind

Take me back, take me back to the song  
How'd it used to go?  
Screaming for what was to come  
Now I'm dreaming about the way I was

X: You say you will...

R: Take me back, give it up...

\*: And if I had to beg for your love  
Would it ever be enough?  
And if I had to beg for your love  
Would it ever be enough?

So baby, don't save me  
No baby, don't save me

Baby, don't save me now (if your love isn't strong)  
No baby, don't save me now (if your love isn't strong)
