

# Let Me Go

HAIM

1. Get me out, give me in

I gave you everything I could give  
You tried to take it, you tried to make it  
But take on everything you can't break

If you go so easily

Go on, get out and when you leave  
I will wait, I will want wait 'til the day you're back again

Let me out, let me in  
I've given up, not given in  
'Cause together we are not one  
We are nothing, we're holding on and on

Together now, forever then

Go ahead, don't you let me in  
But I will wait, I will want

Wait 'til the day you're back again

R: Let me go

You know I'm not one for leaving  
Let me go  
You know I'm nothing without your love  
I know I'm nothing without your love  
So let me go (let me go)

You know I'm not one for leaving  
Let me go  
You know I'm nothing without your love  
I know I'm nothing without your love  
So please go, let me go

2. Let me out, let me in.

I gave you everything I could give.  
You try to take, you try to make,  
You take all everything you can't make.

If you go so easily...

Let it out...

Together now...

R: Let me go...

\*: So let me go (let me go)

You know I'm not one for leaving  
Let me go (let me go)  
You know I'm not one for leaving  
Let me go (let me go)  
You know I'm not one for leaving

Let me go, let me go, let me go, let me go, let me go
