Baked Bean

Haircut 100

Yeah yeah

How about the time when I'm feeling there? Feathers in science time, take Take that bean down, feather's yeah Dig it in to me, be sensible, weathers in science time Be ten only, how about waiting time see you on my range

Cry big into, be beneath the rays don't bring down No Being only ten, is when life begins to grin Being only ten is when life begins to grin Being only ten is when life begins to ring
