

## Rocky road to Dublin

Hakka Muggies

Oh, the waves crash in and the tide rolls out  
It's an angry sea but there is no doubt  
That the lighthouse will keep shinin' out  
To warn this lonely sailor

The lightnin' strikes and the wind blows cold  
Through the sailor's bones to the sailor's soul  
Till there's nothing left that he can hold  
Except the rolling ocean

But I am ready for the stormv Yes Lord, ready  
I am ready for the storm

Oh, give me mercy for my dreams  
'Cause every confrontation seems  
To tell me what it really means  
To be this lonely sailor  
And when you take me by the hand  
You love me Lord, you love me  
And I should have realizedv I had no reasons to be frightened

The distance it is no real friend  
And time will take its time  
And you will find that in the end  
It brings you me, this lonely sailor  
And when the sky begins to clear  
The sun it melts away my fear  
And I'll shed a silent weary tear  
For those who mean to love me.
