Such a pretty sight What a glorious day I think I'm alright Just don't come here today I'm taking all what's mine There's just no time to waste I know I'm doing fine I'm letting go of hate I'm right, I know I'm right I'm right You killed, you killed yourself Yourself And it's not my fault It's not my fault You gave up on me Like you gave up your life Now I'm finally free You won't be my wife
