

Sundown

Hale

Slowdown...

How the hours and minutes go by...
Stay close, let me take you away...
Wasted smiles, seems lost it can be found...
What can I do, what can I say,
A freeze to have a smile...

Time raises by in the blink of an eye,
How I wish I can make you slowdown...
Time raises by in the blink of an eye,
And feel what I feel deep down...

What I feel deep down...

Chill down,
Let the moment show us the way...
Closer...
It's better each day, the glow of your smile...
So bright and then so cool...

That's what I'll do, that's all I'll say
A freeze to have a smile...

Time raises by in the blink of an eye,
How I wish I can make you slowdown...
Time raises by in the blink of an eye,
And feel what I feel deep down...

That's what I feel...

That's what I feel...

That's what I feel...
