All I Wanna Do Is Make Love to You

Halestorm

It was a rainy night
When he came into sight,
Standing by the road,
No umbrella, no coat.
So I pulled up alongside
And I offered him a ride.
He accepted with a smile,
So we drove for a while.
I didn't ask him his name,
This lonely boy in the rain.
Fate, tell me it's right,
Is this love at first sight?
Please don't make it wrong,
Just stay for the night.

All I wanna do is make love to you Say you will
You want me too
All I wanna do is make love to you I've got lovin' arms to hold on to

So we found this hotel, It was a place I knew well We made magic that night. Oh, he did everything right He brought the woman out of me, So many times, easily And in the morning when he woke all I left him was a note I told him I am the flower you are the seed We walked in the garden We planted a tree Don't try to find me, Please don't you dare Just live in my memory, You'll always be there

All I wanna do is make love to you One night of love was all we knew All I wanna do is make love to you I've got lovin' arms to hold on to

Oh, oooh, we made love Love like strangers All night long We made love

Then it happened one day,
We came round the same way
You can imagine his surprise
When he saw his own eyes
I said please, please understand
I'm in love with another man
And what he couldn't give me
Was the one little thing that you can

All I wanna do is make love to you One night of love was all we knew All I wanna do is make love to you Come on say you will, you want me too

All I wanna do is make love to you One night of love was all we knew All I wanna do is make love to you Say you will baby, you want me too

All night long

All night long

All night long

All night long

All I wanna do

All I wanna do

All I wanna do

All I wanna do

All I wanna do is make love to you

One night of love was all we knew, yeah
