

Black Vultures

Halestorm

Black vultures circling the
Black vultures circling the
Black vultures circling the
Black vultures circling the sky

Feels like the end of the world
But it's only the beginning of it all
Forget the things that you've heard
Been a survivor since I began to crawl

I'm falling down but I'm not out
The devils at my door

I don't give in I don't give up
I won't ever let it break me
I'm on fire I'm a fighter
I'll forever be the last one standing
Black vultures circling the sky
Pick at the pieces
Scavengers wait for me to die
But I'm not defeated

I'm on the edge of the war
I'm holding on and hanging by a thread
I am the eye of the storm
And you haven't seen the last of me just yet

I'm falling down but I'm not out
I'm coming back for more

I don't give in I don't give up
I won't ever let it break me
I'm on fire I'm a fighter
I'll forever be the last one standing
Black vultures circling the sky
Pick at the pieces
Scavengers wait for me to die
But I'm not defeated

It's not my time
I'm still alive
Open up your eyes
I am still alive

I don't give in I don't give up
I won't ever let it break me
I'm on fire I'm a fighter
I'll forever be the last one
Black vultures circling the sky
Pick at the pieces
Scavengers wait for me to die
But I'm not defeated

Black vultures circling the sky
You all can wait for me to die

Black vultures circling the

Black vultures circling the
Black vultures circling the
Black vultures circling the sky
