

Gonna Get Mine

Halestorm

Naked pictures on my telephone
All my secrets that you weren't supposed to know
But I sleep just fine every single night
Cause I got a film tape that you will never find

And everybody wants to know what I got going on below
And everybody wants to see, but then they're fucking all of me
Na na nananana, I get what I want and I'm gonna get mine (2x)
Imma get mine...

Uninvited to my fantasy
So get the fuck out of my legacy
I'm pleadin' guilty
And my fate's been sentenced
And if had to do it all over again
I'd do it, do it, do it again

Na na nananana
I get what I want and I'm gonna get mine
Na na nananana
Yeah yeah I'm doing just fine
Imma get mine, Imma get mine, Imma get (4x)

And everybody wants to know what I got going on below
And everybody wants to see, but then they're fucking all of me
Na na nananana, I get what I want and I'm gonna get mine (4x)
