Ride the Lightning

Halestorm

Guilty as charged But damn it, it ain't right There's someone else controlling me

Death in the air Strapped in the electric chair This can't be happening to me

Who made you God to say "I'll take your life from you?"

Flash before my eyes Now it's time to die Burning in my brain I can feel the flame

Wait for the sign To flick the switch of death It's the beginning of the end

Sweat, chilling cold As I watch death unfold Consciousness my only friend

My fingers grip with fear What am I doing here?

Flash before my eyes Now it's time to die Burning in my brain I can feel the flame

Someone help me Oh please, God help me They're trying to take it all away I don't want to die

Time moving slow The minutes seem like hours The final curtain call I see

How true is this? Just get it over with If this is true, just let it be

Wakened by horrid scream Freed from this frightening dream

Flash before my eyes Now it's time to die Burning in my brain I can feel the flame
