

## Rose In December

Halestorm

I've taken all this time  
Standing in the snow  
And I'm so afraid of what could fall from my lips  
Afraid of what I know  
But still I carry on  
Following my heart  
Things could let me down, and I could be betrayed  
love never lies.....so

Let me be your Rose In December  
And I'll be standing here, until spring comes and the  
snow melts away  
Let me be your Rose In December  
I'll stand here forever, loving you, as a rose in  
December

Cool, autumn days  
When everyone else walked away  
They told me to forget, and to spare myself the storm  
But, I knew you were worth the wait  
And as the snow fell  
Landing on my heart  
Burying my emotion, but still I stand here frozen  
Because I know I love you, oh, I love you...so

Let me be your Rose In December  
And I'll be standing here, until spring comes and the  
snow melts away  
Let me be your Rose In December  
I'll stand here forever, loving you, as a rose in  
December

As a Rose.....

As a rose in December.
