

Captain Captain

Haley Bonar

Rain, Rain all the way from Texas

How I'd love to say hello to you

Can I hold your paper smile?

Can I love you for a while?

Tell me why you hate the snow

Are you that afraid of ghost?

Lying here I do forget

Someone call an ambulance

Captain, captain sing a song

Days are short and night is long

Can you sail a paper ship?

Do you both know how to swim?

Call...

Call...
