```
I want some candy
I want a tall glass of water
I want something
Haven't I been good enough?
No, they don't see us
Quit being so paranoid
You just want me cuz
You know my hands are tied
Daisy girls
Own the world
Maybe some bright morning
I'll comb my hair
And won't want nothing
When I get to ____
Summer days are breezey
I'll think of sinking ships
Water is so steady
I don't even think of him
Daisy girls
Own the world
Own the world
Own the world
```
