

# Hard

Haley Reinhart

Hey baby  
You make me curious  
Those eyes baby  
So electric, dangerous  
Tryna keep me cool but I can't fool no one  
Why baby  
You wanna make me fall in love  
So forbidden  
It's like I'm sinning

You're making it hard for me  
You're making it hard for me  
You're making it  
Ooh, ooh  
You're making it hard for me  
You're making it hard for me  
You're making it  
Ooh, ooh

Hey contagious  
You're rubbing off of me  
Too bad I'm taken  
We could have done some crazy things  
Like star ride, kick and take it to the floor  
If we go there, you'll be wanting more  
So forbidden  
It's like I'm sinning

You're making it hard for me  
You're making it hard for me  
You're making it  
Ooh, ooh  
You're making it hard for me  
You're making it hard for me  
You're making it  
Ooh, ooh

Hey ladies, yeah  
You know exactly what I'm talking about  
Sing with me now  
Ooh, ooh  
Ooh, ooh  
Ooh, ooh

So forbidden  
It's like I'm sinning

You're making it hard for me  
You're making it hard for me  
You're making it  
Ooh, ooh  
You're making it hard for me  
You're making it hard for me  
You're making it  
Ooh, ooh
