

Show Me Your Moves

Haley Reinhart

I'd like to take this time
To introduce a friend of mine
Her name is Rhythm and she can move
All ya gotta do is give her a groove
What do you got, what do you got
What do ya got to lose

I wanna see ya shake shake
I wanna see ya roll roll
You could do it fast fast
Or you can take it real slow
Gimme that uh uh
Gimme that oh yeah
Know you want some
Let it drive ya mad

I want you to show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do

I want you to show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do
(Show me your moves)

Oh look who just walked in
A funky bass and a few of his friends
Yeah, he could stand alone
Make your body move it out of control
What do you got, what do ya got
What do ya got to lose

I wanna see ya shake shake
I wanna see ya roll roll
You could do it fast fast
Or you can take it real slow
Gimme that uh uh
Gimme that oh yeah
Know you want some
Let it drive ya mad

I want you to show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do

Show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do

Show me, show me how
Tell me, tell me now
Do I make you move
Do I make you move

Show me, show me how
Tell me, tell me now
Do I make you move
Do I make you move

Gimme that uh uh
Gimme that oh yeah
Know you want some
Let it drive ya mad

I want you to show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do

Show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do
(You ain't nothin' until you do)

Show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do
(Oh, oh)

Show me your moves
Show me your moves
(Show me your moves)
Cause you ain't nothin' until you do
(Yeah, yeah)
