

## Rod Hull Is Alive - Why

Half Man Half Biscuit

A doyen of Topiary once told me,  
That one day he would like to grow a maze,  
It seemed to be quite logical  
That this should be his wish.  
And with that  
We both went our separate ways.

They said you died at 7:00 ("seven") due to something in  
your head.  
I asked the Sister why it wasn't someone else instead!  
Tonight I cry myself a bath of tears and ask the world,  
"Why is Rod Hull alive, and getting paid as well!?"

I heard a palace spokesman mention Sarah.  
Said she'd known the groins of Jaques LaFitte.  
She's well-prepared to be a standard-bearer.  
As pure as the proverbial driven sleet!

Halfway up the reekin' with an empty flask of tea,  
A fog descends and takes away my visibility.  
Yet in this Helen Keller state, I'd still quite like to  
know  
Why is Rod Hull alive, and getting paid as well!

And I wonder if they'll bring back  
National Service and the Birch  
And I wonder must I doubt if  
They'll ever bring back The Watney Cup
