

70's Scenario

Hall & Oates

In bed sittin' and readin'
By the T. V. light
Stay away from the window
Thunder and lightenin'

And the rain, the rain keeps fallin' down
That's somethin' that hasn't changed
Yeah, there's somethin' inside me
It's quiet when it rains

At the end of the rainbow
There ain't no pot of gold
And the light in the mornin', hardly ever shows
Ain't no easy livin' everybody knows

And it's all around us
70's scenario

Yes, she called me a prisoner
In a prison of the mass
She said acceptance of the future
Is freedom from the past

And I laugh and I say
