

## Bad Habits And Infections

Hall & Oates

Come to me like I'm the doctor  
Say you need someone to talk ta'  
You want advice go ask your mother  
One bad turn deserves another  
'Cause I've been cursed with your infection  
Makin' my head hurt makin' my eyes burn  
You've taken me in the wrong direction  
And left me there with no protection

Bad Habits can be cured by cutting  
them out  
Infections can be cured by cutting  
them out

Maybe you'll find a friend up in the  
Rainbow room  
If you can dodge the drinks that  
they've been throwing at you  
Anyway, your boyfriend should be  
coming home soon  
Then you can hide your life away

Bad Habits can be cured by cutting  
them out  
Infections can be cured by cutting  
them out

Come to me like I'm the doctor  
Come to me like I'm the doctor  
Come to me like I'm the doctor  
I am the doctor  
I am the doctor
