

# Did It in a Minute

Hall & Oates

When you find yourself alone  
and when going out is coming home  
You can count on the kid  
cause there's nobody waiting around

Oh oh

If you're not an easy mark  
it's a shot in the dark  
that hits the heart  
And I know, I know  
I know I know  
when it's coming  
I thought so anyway

Some things stay the same  
and some are due for change  
I thought I had them all nailed down

But you turned it around  
Oh you did it you did it  
you did it you did it  
Did it in a minute  
(You did it)  
I know I know  
I know I know  
You did it you did it  
you did it you did it  
Did it in a minute  
(You did it)

Well I still can't say I know  
if a love is real or touch and go  
And if two can be one  
who is the one two becomes?

Oh oh

Am I quick enough to see  
that I'm ready and  
it's right for me?  
And I say, I say  
I say, I say that I want it  
I think so anyway

Everybody always laughs at love  
But what they want  
is to be proven wrong

Then you came along and  
you did it you did it  
you did it you did it  
Did it in a minute  
(You did it)  
I know I know  
I know I know  
you did it you did it

you did it you did it  
Did it in a minute

(instrumental)

I know I know I know I know  
you did it you did it  
you did it you did it  
Did it in a minute  
(You did it)  
You're messing with my own line  
Oh you did it you did it  
you did it you did it  
Did it in a minute

I know I know I know I know  
you did it you did it  
you did it you did it  
Did it in a minute  
(You did it)  
I want someone to  
prove I'm wrong  
(you did it you did it)  
(you did it you did it)  
You did it in a minute

I know I know I know I know  
you did it you did it  
you did it you did it  
Did it in a minute  
(You did it)  
You're messing with my own line

(repeat)
