

# Everything Your Heart Desires

Hall & Oates

You say you can't stand to be  
Tied so close to a lover  
Ooh you feel like a prisoner  
And you wanna find someone who will let you out  
Can't you see the heartbeat that you know so well  
Is better than some strange one you're looking for  
Say you never know that strange one just might be me

Can't you see -  
You Have Everything Your Heart Desires  
So why d'you want more  
If you had everything your heart desired  
Would you still want more  
You Have Everything Your Heart Desires  
Why d'you want more  
If you Have Everything Your Heart Desires  
Oh baby will you still want more

You tell me your best friend's world seems beautiful  
but don't be fooled  
It's nice work if you can get it  
What goes on behind closed doors you don't know  
Maybe she cries herself to sleep every nite  
Sorry that the heartbeat that she knows so well  
Ain't what she's looking for  
Say you never know that strange heart just might be me

Can't you see -  
You Have Everything Your Heart Desires  
So why d'you want more  
If you had everything your heart desired  
Would you still want more  
You Have Everything Your Heart Desires  
Why d'you want more  
If you have Everything Your Heart Desires  
Will you still want more

Maybe you'll confess  
Girl you'll see  
If you want the world  
Think of me  
No words can help  
Don't be sad  
'Cause baby what you want is what you have
