

# Everytime You Go Away

Hall & Oates

Babe, if we can't solve any problems  
Why do we lose so many tears?  
Whoa, so you go again  
When the leading man appears  
Always the same thing  
But can't you see we've got everything  
Going on and on and on?

And everytime you go away  
You take a piece of me with you  
And everytime you go away  
You take a piece of me with you, you

Go on and go free  
Maybe you're too close to see  
I can feel your body move  
But doesn't mean that much to me  
I can't go on singing the same theme  
'Cause you can't see we've got everything  
Baby, even though you know

That everytime you go away  
You take a piece of me with you  
You just don't care  
Everytime you go away  
You take a piece of me with you, you

'Cause you can't see we've got everything  
Baby, even though you know  
That everytime you go away  
(Everytime you go away)  
(Everytime you go away)  
Why you have to go away right now?  
(Everytime you go away)  
(Everytime you go away)  
Go on and go away, girl  
(Everytime you go away)  
I don't understand why you gotta go, girl  
(Everytime you go away)  
Go on and go free  
Even though you mean so much to me  
(Everytime you go away)  
I don't understand, baby  
(Everytime you go away)  
Oh baby, baby, everytime you go  
(Everytime you go away)  
You don't know, you don't know  
Beause you never understand, girl  
(Everytime you go away)  
Why you have to go away right now?  
(Everytime you go away)  
Everytime you go, girl  
(Everytime you go away)  
Go on, go on and go free  
(Everytime you go away)  
Baby, you mean so much to me  
I'll never understand why you gotta go, girl

(Everytime you go away)  
I don't understand, girl  
(Everytime you go away)  
I don't know go, I don't know go  
I don't know go, I don't know go  
I don't know go, I don't know go  
(Everytime you go away)  
Go girl, go girl, gotta go girl  
You won, babe  
(Everytime you go away)  
Baby, baby, baby  
(Everytime you go away)
