

# Go Solo

Hall & Oates

You need to make it on your own  
You wanna shake it, do it alone  
Whatever happened, I did alright by you

I can feel the passion girl, it's still as strong  
Though the places have turned around  
Oh, I can be the one to wait  
You take the easy way out  
I'm no one to doubt

(If that ain't enough for you)  
Ain't enough for you, go solo  
(You can take the lead)  
Play a brand new part, go solo, solo

You say there's trouble in Paradise  
I'm only joking but you better be right now  
Whatever happens, there ain't no turnin' 'round

And I can understand you need to find yourself  
Make a way without any help  
Oh I can be the one who waits  
To take the only way out  
I'm no one to doubt

(If that ain't enough for you)  
Ain't enough for you, go solo  
(You can take the lead)  
Play a brand new part, go solo, solo

I don't mind, your flying blind  
Just shake it up and take it to the break this time  
Shake it up and take it to the break this time, this time, oh  
Shake it up and take it, shake it up and take it girl

(If that ain't enough for you)  
Ain't enough for you go solo, go solo  
(You can take the lead)  
Play a brand new part go solo  
I could do good somehow

(If that ain't enough for you)  
Ain't enough for you go solo, oh girl  
(You can take the lead)  
Play a brand new part  
Go solo

Shake it up and take it  
Shake it up and take it

(If that ain't enough for you)  
Ain't enough for you go solo  
How could you go solo  
(You can take the lead)  
Play a new part go solo, ooh

Shake it

(If that ain't enough for you)  
Ain't enough for you go solo, solo
