

# I'm Sorry

Hall & Oates

Why don't you write me  
Call me on the phone  
Say Western Union  
You can find me home

I say, I'm sorry  
I said, I'm sorry

You know I bled you  
Led you on a lie  
You say I fooled you  
Who's the fool tonight

I say, I'm sorry  
I said, I'm sorry

High love in motion  
Walking on the ocean of your sorrow  
(Oh, of your sorrow)  
Round turned the tables  
Lost, I am a man with no tomorrow

You know the lopsided lovin'  
Got me in the end  
Looks like I'm done in  
Now there's no pretending

Ooh, I'm sorry  
I said, I'm sorry

Oh, high love in motion  
Walking on the ocean of your sorrow  
(I said, I'm walking on the ocean of your sorrow)  
Round turned the tables  
Lost, I am a man with no tomorrow

I said, why don't you write me  
Call me on the phone  
Say Western Union  
You can find me home

I say, I'm sorry  
I said, I'm sorry
