I'm Sorry

Hall & Oates

Why don't you write me Call me on the phone Say Western Union You can find me home

I say, I'm sorry I said, I'm sorry

You know I bled you Led you on a lie You say I fooled you Who's the fool tonight

I say, I'm sorry I said, I'm sorry

High love in motion Walking on the ocean of your sorrow (Oh, of your sorrow) Round turned the tables Lost, I am a man with no tomorrow

You know the lopsided lovin' Got me in the end Looks like I'm done in Now there's no pretending

Ooh, I'm sorry I said, I'm sorry

Oh, high love in motion Walking on the ocean of your sorrow (I said, I'm walking on the ocean of your sorrow) Round turned the tables Lost, I am a man with no tomorrow

I said, why don't you write me Call me on the phone Say Western Union You can find me home

I say, I'm sorry I said, I'm sorry
