Is It a Star

Hall & Oates

Is it a star, or is it me You say you believe in And the nights When my stage smiles not so wild, and ain't coming easy Can't you see it's me All broken down inside Can't you see it's me Honey, you've been dreaming Then they'll meet you on the streets, and say they've had A crush on you, for a year or two, maybe three And they say
