

# Italian Girls

Hall & Oates

I see, I see, I see all the monumental ruinization  
I see, I see, I see the greatest works of art in western civilization  
Ooh but where are  
Tell me where are  
Ooh but where are the Italian girls?

I drink, I drink, I drink too much Vino Rosso no more Amarone  
I eat, I eat, I eat so much pasta basta, I'm so full and yet so lonely  
Ooh but where are  
Tell me where are  
Ooh but where are the Italian girls?

I see Sophia on the silver screena  
There must be more like her in Roma

I believe, I believe, I believe in La Donna Italiana Bellissima  
I need, I need, I need some little dream come true please tell me where  
They're keeping ya  
Faccia bella cara mia  
Somebody tell me where are the Italian girls
