

# Lady Rain

Hall & Oates

Lady rain, lay your sobbin' hair down on my shoulder  
Lady rain, do your cloudy eyes see me much older?

Can you see my past, can you find my future  
Should I take it slower 'til my life is over  
Oh, lady rain is it I'll be going down in pain? Yeah

Lady rain, lay your sobbin' hair down on my shoulder  
Lady rain, do your cloudy eyes see me much older?

All the days I've lost hoping and pretending  
That my days would flow smooth and slow toward its ending  
Oh, lady rain is it I'll be going down in pain? Yeah

Lady rain, lay your sobbin' hair down on my shoulder  
Lady rain, do your cloudy eyes see me much older?

Can you see my past, can you find my future  
Should I take it slower 'til my life is over  
Oh, lady rain is it I'll be going down in pain? Yeah

Is it I'll be going down in pain? Yeah  
Is it I'll be going down in pain? Yeah, lady  
Is it I'll be going down in pain? Yeah, lady rain  
Is it I'll be going down in pain? Lady

Is it I'll be going down in pain? Yeah, lady rain  
Is it I'll be going down in pain? Yeah  
Is it I'll be going down in pain? Yeah, lady oh lady  
Is it I'll be going down in pain? Lady rain  
Is it I'll be going down in pain?
