

## Miss DJ

Hall & Oates

She plays a superstar  
She flies into your world from so far  
Then she spins the records, yeah

She plays the music here, yeah  
You've got to get with her beat, tonight  
Ain't no way to fight it

She's got a groove that will make you feel funky  
She's got a body you wanna to take home  
She licks the lips that you gotta know better  
Hey Miss DJ, how do I get you alone?

She knows the leeches here  
They spy into her world it's so clear  
When the needle's on the record, yeah

She drops the beat one time  
The crowd just falls at her feet tonight  
And they don't know how to fight it

She's got a groove that will make you feel funky  
She's got a body you wanna to take home  
She licks the lips that you gotta know better  
Hey Miss DJ, how do I get you alone?

Gotta get to know you

You're not the only table turnin' tonight  
Ya know the beat is pumpin' from inside  
Take down your headphones and come dance  
Let the vinyl go free

She's got a groove that will make you feel funky  
She's got a body you wanna to take home  
She licks the lips that you gotta know better  
Hey Miss DJ, how do I get you alone?

She's got a groove that will make you feel funky  
She's got a body you wanna to take home  
She licks the lips that you gotta know better  
Hey Miss DJ, how do I get you alone?

She's got a groove, funky  
She's got a groove, funky

She's got a groove that will make you feel funky
