

# No Child Should Ever Cry on Christmas

Hall & Oates

Family Christmas  
What a memory  
Just a child  
On this here day  
Round the world  
Are so many families  
Not enough to keep  
But still the faith to pray  
Let the Holy star above  
Shine a silver light of lovin'  
Turn this world around

[Chorus]

No child should ever cry on Christmas  
No child should ever be afraid  
No child should ever cry on Christmas Day

Come the morning  
Toys and laughter  
Yeah that's the way  
It's supposed to be  
Then all the mornings  
Ever after  
Bring us hope and joy and harmony  
Let the Holy star above  
Shine a silver light of lovin'  
Turn this world around

[Repeat Chorus]

Let the Holy star above  
Shine a silver light of lovin'  
Turn this world around

[Repeat Chorus]
