

# Nothing at All

Hall & Oates

All the things that used to mean a lot to me  
Don't matter anymore  
Ain't no surprises, and we're too young  
To come to that

Oh, time has a way of lessening love  
You know that's true, nothing at all  
Nothing at all, nothing at all

We spent last night like every night  
Sitting and staring  
I wish we could fight at least  
That would be something

Oh, time has a way of lessening love  
You know it's true, nothing at all  
Nothing at all, nothing at all  
You don't say nothing  
'Cause there ain't nothing at all  
Nothing at all, nothing at all

Oh, time has a way of lessening love  
You know it's true  
So don't bother listening anymore darling  
'Cause I'm writing my last song about you

Nothing at all, nothing at all  
Nothing at all

You don't say nothing  
'Cause there ain't nothing at all that's right  
Nothing at all, nothing at all

You don't say nothing  
'Cause there ain't nothing at all  
Nothing at all, nothing at all

You don't say nothing  
'Cause there ain't nothing at all
