

## Some Things Are Better Left Unsaid

Hall & Oates

I feel like I could run away  
Looking at a darker day  
Oh I'm pulling the shades away from my eyes  
It's true the moody manners come and go  
And it's better that you never know

Some things are better left unsaid  
Some strings are better left undone  
Some hearts are better left unbroken  
Some lives are better left untouched  
Some lies are better off believed  
Some words are better left unspoken

My ideas seem to frighten you  
Are you really that afraid to move?  
Oh I guess that it's your right to reason  
I'm still dealing with a force that's so strong  
The force is stringing us along

Some things are better left unsaid  
Some strings are better left undone  
Some hearts are better left unbroken  
Some lives are better left untouched  
Some lies are better off believed  
Some words are better left unspoken

You livin' lie  
Somebody hear the audience say

Some things are better left  
Some things are better left unsaid  
Some strings  
Some things are better left unsaid  
Some lives are better  
Some things are better left unsaid  
Some hearts are better
