

# When Something Is Wrong With My Baby

Hall & Oates

When something is wrong with my baby  
Something is wrong with me and if I know she's worried  
Then I would feel that same misery  
We've been through so much together  
We stand as one and that's what makes it better  
When something is wrong with my baby  
Something is wrong with me  
Just what she means to me, now  
Oh, you just wouldn't, you just wouldn't understand  
People can't say she's no good  
But oh, she's my woman and I know I'm her man  
And if she's got a problem  
Oh, oh, I know, I know I've got to help her solve 'em  
When something is wrong with my baby  
Something is wrong with me  
Sing it again  
When something is wrong with my baby  
Something is wrong with me
