When Something Is Wrong With My Baby

Hall & Oates

When something is wrong with my baby Something is wrong with me and if I know she's worried Then I would feel that same misery We've been through so much together We stand as one and that's what makes it better When something is wrong with my baby Something is wrong with me Just what she means to me, now Oh, you just wouldn't, you just wouldn't understand People can't say she's no good But oh, she's my woman and I know I'm her man And if she's got a problem Oh, oh, I know, I know I've got to help her solve 'em When something is wrong with my baby Something is wrong with me Sing it again When something is wrong with my baby Something is wrong with me
