Holy Warriors on a mission from God to rid the world of
disbelievers,
To die in battle is a one way ticket to land of eternal
bliss.
Old men, young boys and crippled vets cross the desert to
meet their makers,
They never question, they never falter, sacrifice their
lives for

Promises of Virgin Flesh
Promises of Virgin Flesh

Your time is mine, Time and Mind and Life are mine.
Your mind is mine, Time and Mind and Life are mine.
Your life is mine, Time and Mind and Life are mine.
Time and Mind and Life, Time and Mind and Life
