

Rot Gut

Hallows Eve

Dog dung, TV cum
Residential maelstrom
Find a closet, hide from mom
Suck some rot gut, clean my gun

Water jar, family car
Father loves to go to the local bar
Gonna have me a little fun
Suck some rot gut, load my gun

Public school, Kenwood fool
Heads explode, nobody's tool
Pull the trigger and I'll be done
Suck some rot gut, fire my gun
