

The Mighty Decibel

Hallows Eve

Here we are all are deaf tonight
Ears embrace my din this night
Bathe in the volume, I am pain
My rod of sound piercing your brain

Oh, no, another fell to
Decibel!
I am the mighty
Decibel!

Lift your arms now in my praise
make me a circle now don't delay
Shank to the left, slam to the right
Ears are bleeding, what a sight

Come to our alter, don't be slow
Louder'n'louder'n'louder I grow
I am the mighty Decibel
Guy go down! Ha!
