

## Falling Away

Halo Friendlies

I'll be one and you'll be two  
I'll be three and you'll be four  
I'll give you five but you'll want more  
Cuz every single day you just take a little more

You got what you wanted but now you're leaving  
You took what you needed and now you're leaving  
Your heart, your soul, your life, your mind  
I can't stop you from falling away

I don't want to see you that way again  
Is there a fire in your soul?  
Are you afraid of what you'll find?  
Do you think you're in control?

You're beautiful  
You're pitiful

You had what you needed but sold it for another fate  
And your heart is my desire to save you from this misery  
But I'm burned I'm torn, I'm used and  
I can't stop you from falling away

What can I do to  
Help you my friend  
Don't walk away from this  
It's all you know  
Don't walk away
